

Have a Happy
and Safe
Summer
Vacation!

SCOPE
2010 Summer Explorations
Program at
East Moriches
Elementary School
for East Moriches, Center Moriches, and
Eastport/South Manor Students
Entering Grades 1-6

Monday - Friday
July 6th - July 30th
8:45 AM - 12 NOON

Dear Parent or Guardian:

SCOPE Education Services, in cooperation with the East Moriches Union Free School District will be offering an exciting Summer Explorations Program for elementary school students in East Moriches, Center Moriches, and Eastport/South Manor Schools. We are delighted to be able to offer this program to your children in the hope of providing them with enriching ways to expand their learning while having fun.

The program will take place Monday through Friday, starting July 6th through July 30th at East Moriches Elementary School.

We are pleased to be able to offer this program and we hope that it will enhance your child's learning experience.

Sincerely,

SCOPE Education Services

Hilary Rose
Program Director

SCOPE Summer Explorations Program at East Moriches Elementary School

Registration Information

1. Select any courses in which you would like to enroll your child. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
2. Courses are listed for the grade level the student will be entering in September 2010.
3. Total your course fees and enclose a check or money order payable to **SCOPE**. Credit cards are also accepted. Courses in Sessions 1 and 2 run for nine days and cost \$67.50 each. Courses in Sessions 3 and 4 run for 10 days and cost \$75.00 each.
4. **Online registration is also available.** For quick and easy registration please visit www.scopeonline.us. Click on Child/Student Services found on left hand side. Under subheading K-12, click on East Moriches Elementary Summer Explorations Program.
5. Please fill out all information on the registration form. Return the completed registration form and full payment by **June 23,2010** to:

*SCOPE Summer Explorations Program at East Moriches Elementary.
100 Lawrence Avenue
Smithtown, NY 11787*
6. There will be a \$25.00 fee for any returned checks or declined credit cards.
7. **Confirmations and Emergency/Health forms will be e-mailed by the end of June before the start of the program. Please contact SCOPE if you do not receive an e-mailed confirmation by this time. It is the parent's responsibility to see that their child is present on the first day of class. No credit/refund will be given.**
8. Course fees will not be refundable after Wednesday, June 30, 2010.
9. The Summer Explorations program will be held at **East Moriches Elementary School**. Parents are responsible for their child's transportation to and from the program.
10. The children enrolled in both sessions may bring a snack.
11. For additional questions, please e-mail hrose@emo.ny.k12us.com or pawalsh@scopeonline.us.

SUMMER EXPLORATIONS COURSES:

Session 1: July 6-16, 8:45 am -10:15 am

Session 2: July 6-16, 10:30 am -12:00 noon

Session 3: July 19-30, 8:45 am -10:15 am

Session 4: July 10 -30, 10:30 am -12:00 noon

Book Club

This book club will be a great fit for any student looking for good summer reading! We will read books together as well as independently and discuss what we liked, did not like and how we would change it. The great thing about this course is that we can do it outside, good weather permitting. It will be great fun for us to sit on a blanket and just chat and relax, enjoying each other's company as well as a good book!

Session 1: Grades 1-3

Session 2: Grades 4-6

Crafts, Crafts, Crafts

Use paper to create all sorts of things! We will make cards and gift tags for all different occasions, paper weights, pencil holders, frames, and more! Bring in pictures to make your own scrapbook pages. We can even make jewelry using paper! If you have a creative side and like to make things, this is the class for you!

Session 1: Grades 4-6 Session 2: Grades 1-3

Summer Soccer Fun

Get ready to dribble, kick, shoot, and score your way into summer soccer fun! All skill levels are welcome us for these fun, outdoor activities. Learn proper techniques, ball control, and teamwork from a certified Middle School coach. This course improves coordination and gets the kids out and moving about.

Session 1: Grades 4-6

Session 3: Grades 1-3

Watercolor and Poetry

Students will be introduced to a different poem each day. We will brainstorm images, feelings and thoughts the poems generate and express it through watercolor painting. Students will take a journey with authors such as Dr. Suess, Shel Silverstein, Lewis Carroll and T.S. Eliot.

Session 1: Grades 3-6

Session 2: Grades 3-6

Session 3: Grades 3-6

Session 4: Grades 3-6

Creative Writing

This class offers children the opportunity to keep their writing skills sharp over the summer. Children will be shown ways to express themselves through poetry, and other creative writing styles. By the end of this course, all children will have a wonderful collection of their work to be proud of. Come join in on the fun!

Session 2: Grades 1-3

Session 4: Grades 4-6

Cultures Around the World

Come tour the world! In this class, students will examine their own modern culture and compare it to other cultures around the world through language, art, music, food, and so much more! Let's go and explore the world together!

Session 1: Grades 1-3

Session 3: Grades 4-6

Fun Educational Board Games

In this class, we will all play educational board games. Students can test their money skills buying property or becoming a banker in Monopoly. They can challenge themselves to learn new words in Scrabble. Students can learn how to use word associations with Scattergories. They can also bring in an educational board game of their own.

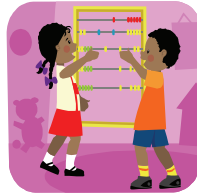

Session 2: Grades 1-3

Session 4: Grades 4-6

Fun Math Computer Games

All kids love to play computer games online. Why not make it a time to learn, too? In this class, students will explore age-appropriate math games that are not only educational, but fun as well. Help your child maintain and improve math skills this summer. They'll have so much fun learning!

Session 1: Grades 4-6 Session 3: Grades 1-3

Fun Outdoor Games

Join friends for some outdoor fun! Learn to play all sorts of outdoor games including Red Rover, Red Rover; Ultimate Frisbee; and good, old-fashioned Kick-ball while improving teamwork skills and overall physical health. Lace up your sneakers and run around with us.

Session 2: Grades 4-6 Session 4: Grades 1-3

Kids Cuisine

Do you want to experiment in the culinary arts? We will spend time learning how to read and follow recipes and making yummy snacks. Healthy eating and kitchen safety are some of the topics that will be discussed in a fun and creative environment. All the recipes we make will be added to a keepsake cookbook for the chefs to take home and share with their families and friends!

Session 1: Grades 4-6 Session 3: Grades 1-3
Session 2: Grades 1-3 Session 4: Grades 4-6

Music Technology and American Sign Language

Explore music on the internet to learn about how to communicate using American Sign Language and Song. Students will explore different educational sites while learning to navigate the world wide web. All computer activities will be supervised.

Session 2: Grades 1-2 Session 4: Grades 3-5

Reader's Theater

Come join the fun in our Reader's Theater class! No memorization, costumes or special lighting is needed. Your favorite books come to life as we each take a part and act the story out together. Learn to read text with expressive voices and gestures. This course makes reading comprehension meaningful and fun!

Session 1: Grades 1-4 Session 3: Grades 1-4
Session 2: Grades 1-4 Session 4: Grades 1-4

Recorder and Boomwhacker

Students explore the world of music, learning to play the recorder and Boomwhackers (tuned percussion tubes). Beginners in grades 2 and 3 will learn to play songs like Hot Cross Buns, Mary Had a Little Lamb and more. Students in grades 4-6 will learn to read music and play more challenging pieces. This wonderful program is designed to introduce students to music arts.

Session 1: Grades 2-3 Session 3: Grades 4-6
