PROGRAM

AT SAYVILLE MIDDLE SCHOOL

**Grow This Summer!
Enroll in the SCOPE
Summer Explorations
Program at Sayville's
Middle School!**

**SCOPE Education
Services
(631) 360-0800**

**July 6th - July 30th
8:45 a.m. - 12:00 noon
Monday - Friday**

**SCOPE Summer Explorations Program at Sayville
Brian Daleo, Program Director**

Registration Information

1. Select courses in which you would like to enroll your child. Courses have limits and will be filled on a first-come, first-served basis. Please provide a second choice, so we can better accommodate all requests.
2. Please fill out the registration form completely.
3. Each course will cost \$145.00 including material fees. Two courses will cost \$290.00 including material fees.
4. Credit cards are accepted. Please enclose a check or money order payable to SCOPE or complete the credit card authorization form. There is a \$25.00 fee for all returned checks. Return the registration form, and your payment by Friday, June 12th to: **SCOPE Summer Program at Sayville, 100 Lawrence Ave, Smithtown, NY 11787.**
5. Classes will be confirmed by e-mail. If you have not received confirmation of your child's class(es) by June 25th, please contact the SCOPE office via email to pawalsh@scopeonline.us.
6. Course fees are non-refundable after June 25th.
7. Parents are responsible for their child's transportation to and from the program.
8. Children enrolled in both sessions may bring a snack. Due to the increasing number of students with food allergies, students are not allowed to share snacks, and no peanut products are allowed. All children are encouraged to bring a water bottle daily.
9. The program is contingent upon the passing of the school budget and minimum enrollment.

New! Online registration is now available. For quick and easy registration please visit www.scopeonline.us. Click on Child/Student Services found on left hand side. Under subheading K -12, click on Sayville Summer Explorations Program.

SCOPE Education Services

**Credit Card Authorization form
Sayville Summer Explorations Program**

SCOPE is pleased to provide a safe, quick, and convenient payment service for parents (guardians) who wish to pay by credit cards.

Please fill out the authorization form and return it with your registration form or fax to (631) 979-2037.

I authorize SCOPE Education Services to charge my credit card the program fee for my child's participation in the Explorations Program. I understand that all payments are **non-refundable after June 25, 2010.**

Course Information:

Book Cooks

Have fun in the kitchen in this delicious course! After reading a book or poem, we will prepare a recipe related to it. This class is an exciting way for students to practice reading and math skills. *Bon appetite!*

Session 1: Grades 1 - 6

Session 2: Grades 1 - 6

Super Sleuths

Do you love to read? Do you love solving mysteries? If so, the super sleuths reading club is for you! This summer become a detective and get ready to search for clues, find evidence, and solve mysteries all while reading a book. Students will discover the elements of a mystery including the typical characters, the common plot structure, and the vocabulary that they will likely encounter in mystery writing. They will work in small detective groups to solve cases and even write their own mysteries!

Session 1: Grades 2 - 6

Session 2: Grades 2 - 6

Shrinking, Stretching, Oozing, and Bouncing! Explore the World of Polymers

This hands-on class will provide you with the opportunity to apply the scientific method to experiments involving polymers (plastics). Students will create gak, slime, glue, shrinky dinks, and more! We will shrink plastic to make jewelry and test the strength of water balloons for outdoor fun. You are invited to come and create glowing gel and make snow in the middle of summer!

Session 1: Grades 1 - 6

Session 2: Grades 1 - 6

Fashion Design: A Runway to Fun

Fashion tells us much about ourselves, and makes us individuals. Discover what it takes to be a successful fashion designer in this introductory course for "young designers". Students will learn the basics of fashion design by exploring how to sketch an outfit, designing and creating a T-shirt, reconstructing an existing T-shirt, and completing the course with a fashion show of our work. Through creative projects students not only learn new skills, but also have fun doing something they enjoy. *Note: Previous drawing experience is not required.*

Session 1: Grades 3 - 5

Spanish for Children

Learning a new language is fun! Freshen up your Spanish! The class will include conversational Spanish, conjugate easy verbs, learning Spanish through games, and reading Spanish English literature

Session 1: Grades 3 - 5

Session 2: Grades 3 - 5

Summer Soccer Fun

Get ready to dribble, kick, shoot, and score your way into summer soccer fun! All skill levels are welcomed in this upbeat soccer program. Learn techniques, and ball control from a certified coach. Take part in learning new skills as well as improving your performance in the game.

Session 1: Grades 2 - 4

Session 2: Grades 4 - 6

French and Spanish Exploratory

Bonjour mes amis! Hola mis amigos! Do you love learning about new cultures and languages? Join us this summer and learn how to speak French and Spanish as well as celebrate their exciting cultures through songs, crafts, food, and fun!

Session 1: Grades 3 - 4

Session 2: Grades 5 - 6

Author! Author!

Students will complete a group and individual author study through literature circles, poetry, language arts, and a culminating Power Point presentation.

Session 1: Grades 4 - 6

Session 2: Grades 4 - 6

A World of Creative Crafts for Kids

Go on a journey experiencing many cultures from across the world through the creation of arts and crafts. Have fun working with paper, paste, and paints, creating crafts such as your very own Native American warrior shields, masks, and dream catchers. Design your own Hispanic decorations, and toys. You will have a great time with Egyptian bead art, African costumes, Chinese puppets and egg painting. These are just a few of many cool and easy projects you will have an opportunity to explore.

Session 1: Grades 1 - 3

Session 2: Grades 1- 3

Math Games

Students will have fun with numbers, using games, problem solving activities, geometry, and exciting math activities that will make learning math more fun for your child.

Session 1: Grades 3 - 4

Session 2: Grades 3 - 4

Discovering World Culture Through Art

Join us in creating various art projects to represent the cultures of South America, Asia, Africa, and beyond! Each week we will “visit” a new culture and recreate the art that defines it!

Session 1: Grades 4 - 6

Jammin’ Journalism

Ever want to be a newspaper reporter and publish stories just for kids? In “Jammin’ Journalism” your story ideas can range from movies and reviews, to an advice column, to restaurant reviews, to publishing original recipes. Our class will also have the unique opportunity to work with the editor of “Kidsday” section of Newsday and produce pieces for publication. You will see the whole writing process in action from ideas to publication, while learning to edit, and most importantly, having fun!

Session 2: Grades 4 - 6

Beginning Piano

This class is designed for students with no piano experience. Through the use of games and other activities students will learn to play simple melodies. A great jump start for your young musician.

Session 1: Grades 1 - 3

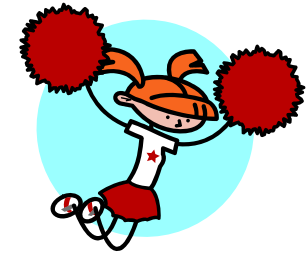

Session 2: Grades 4 - 6

All-Star Cheerleading

Cheer it up! It’s time to have fun learning the basic skills in cheerleading! You will learn motion technique, jump technique, and stunting technique. Exciting cheers, chants, and of course dance will also be learned! Skills in teamwork, trust, and spirit will always be reinforced. An exhibition will be performed for family and friends at the end of our four week session. No cheerleading experience necessary. Just wear your sneakers and get ready for a *CHEER—I—FIC* time!

Session 1: Grades 1 - 6

Session 2: Grades 1 - 6

Creative Writing

This class is designed to give children who enjoy writing the opportunity to plan, write, and share in a relaxed, pleasurable environment. Using imaginative prompts and fun games, we will create unique stories, poems and comics. An ideal class for avid authors

Session 1: Grades 3 - 4

Session 2: Grades 5 - 6

Board Game Club

Become a master of words and challenge yourself against others. Join the board game club to scramble your thinking, have fun and be an active learner. The Students will be able to create their own board games and play them with their friends.

Session 1: Grades 2 - 6

Session 2: Grades 2 - 6

Learn to Sew

Join us in our sewing circle to create a variety of sewing projects. We will put our fingers to work when making projects such as pillows, key chains, and even a sleeping bag for an American Girl Doll or other favorite stuffed animal. No experience is necessary, we will start small and grow together into a class of sewing stars!

Session 1: Grades 3 - 6

Session 2: Grades 3 - 6

Fabulously Frightening Stories

Scary stories have been written and passed down for centuries, in this class you will be reading and eventually writing your own short, but scary stories. We will discuss what makes a good short story work, and of course we will read some fabulously frightening and fun short stories.

Session 1: Grades 4 - 6

Books Alive - Act it Out!

Do you ever read books and imagine what they look like in your head? Now is your chance to make those books come alive. This class will teach young actors the basics of the stage, play games, and bring their favorite story books alive in an end of the summer mini-production to showcase their accomplishments!

Session 1: Grades 1 - 3

Intermediate Tap

If you have taken a few years of tap and would like to keep up with it over the summer, try this class! We will learn more advanced steps, combine steps, and prepare a tap routine to be performed for your parents at the end of the Summer program. You will need a pair of tap shoes and comfortable clothes (shorts and t-shirts are fine). If you like listening to music and love to dance, this is a great way to enjoy the beginning of your summer!

Session 2: Grades 3 - 6

Cartooning

Do you like doodling, drawing, or reading cartoons? If so, this is the class for you! You will participate in drawing characters and scenery, writing a story, and designing a storyboard to be shared with parents at the end of the Summer program. If you like drawing and writing, this is the perfect combination for you! Come and be creative this July!

Session 1: Grades 3 - 6

Let's Paint!

If art is your favorite class and you love to show your creativity, try learning to paint! You will learn about color mixing, value (how light or dark to paint your colors), light and shadow, perspective, and we'll experiment with different brush strokes and the styles of selected artists. We will prepare paintings to exhibit for your parents at the end of the Summer. Please bring a smock. If this sounds like the class for you, give it a try! Don't worry ... you don't have to be a pro, I will teach you all that you need to know!!

Session 2: Grades 3 - 6

Stories and Crafts

Students will read exciting summer stories and create a craft to take home that goes along with the story.

Session 1: Kindergarten

Session 2: Kindergarten

Get Ready, Get Set, Kindergarten

This class is designed to bridge the gap between preschool and kindergarten for our Sayville youngsters! Calendar, story time, crafts, and snack are structured to help ease students into the kindergarten routine.

Session 1: Kindergarten

Session 2: Kindergarten

Beginner Tap

If you have taken any tap, or have never even put on tap shoes before, this is the class for you! We will practice individual steps, learn to combine steps, and prepare a tap routine to share with your parents at the end of the Summer program. You will need a pair of tap shoes and comfortable clothes (shorts and t-shirts are fine). If you like music and tapping your toes, this is sure to be an exciting and fun way to stay active in July!

Session 1: Grades 1 - 4

Broadway Alive

Do you like to act, sing, and dance? Have you ever wanted to be in a full length musical? Now's your chance! Sign up for "Broadway Alive" and be part of this summer's musical smash hit "**Guys and Dolls JR**". Over the four weeks you will rehearse, play games, stage the show, learn the music and create the dances in an intensive summer workshop. At the end of the summer, you will have the opportunity to perform all of your hard work in an hour long production!

Session 2: Grades 4 - 6

Let's Go Green!

Try recycling in a totally different way! We will be creating crafts using things found around the home. Children will create fun and useful projects and help the environment! Children will play wild games and activities that will help them understand the gentle balance of nature and need for conservation.

Session 1: Grades 4 - 6

Get out Alive! Wilderness Survival

We're stranded on an island, with nothing except the wreckage from our crash! But panicking won't get us anywhere, so let's get to work. First, we'll have to figure out a way to purify water and cook food. Next, with whatever materials we have available, we'll need to build a shelter. And a fire too—even though we don't have any matches. With bears stealing our food and torrential rains destroying our tent, there's no telling what disaster will strike next. We'll practice emergency rescue procedures and learn how to treat wounds and diseases. And we'll plot our escape, whatever it takes to get off this island alive

Session 1: Grades 4 - 6

Session 2: Grades 4 - 6

Jewelry Making

Jewelry is fun to make and allows you to be creative. This class will show students how to make different types of jewelry using various materials. We will be creating necklaces and bracelets that can be given as gifts or kept in your own jewelry box. This course will be about having fun and being creative.

Session 1: Grades 3 - 5

Not Just Knots (Macramé Jewelry)

Learn how to make bracelets, necklaces, and earrings with macramé and beads. Make them for yourself and your friends.

Session 1: Grades 2 - 5

Session 2: Grades 2 - 5

Funtastic Fitness

Enjoy the benefits of the “fitness experience” that promotes a healthy lifestyle. Children will work cooperatively with others, while participating in a variety of traditional and non-traditional summer-time fun activities, games, and sports. Get ready for an unforgettable summer!

Session 1: Grades 2 - 4

Session 2: Grades 5 - 6

Creativity for Kids

Are you an artistic person that would like to learn new ways of sharing your memories and photos with others? This class will teach you how to make fantastic scrapbook pages, as well as other projects that do not need to be kept in a book to be enjoyed. Final projects that will show off your own unique designs may include a photo collage that can be hung from a wall, a homemade photo frame and a scrapbook.

Session 1: Grades 3 - 5

Session 2: Grades 3 - 5

Introduction to Drama

Feeling a little dramatic? This course will allow students to have fun and be creative. Students will be working together to create their own play that will be performed at the end of the summer. Students will also be designing props and costumes for their play. This course allows students to have a complete theatrical experience from start to finish.

Session 2: Grades 1 - 3

Crafts Galore

Experience making creative and beautiful projects! In this class, your imagination is welcomed to run wild! Painting, gluing, cutting are just some things you will find in this class. There is lots of fun and adventure throughout the summer. Come and join in on all of the fun.

Session 1: Grades 1 - 4

Session 2: Grades 1 - 4
