SCOPE WINTER EXPLORATIONS
PROGRAM AT SMITHTOWN
100 Lawrence Avenue
Smithtown, New York 11787

Dear Parent or Guardian:

SCOPE Education Services, in cooperation with the Smithtown Central School District continues the exciting Winter Explorations program for elementary school students. We are delighted to be able to offer this program again to your children in the hope of providing them with enriching ways to expand their learning while having fun. There has been a need to adjust the course fee slightly due to increased costs to run the program. We continue to do the best we can to minimize this cost for the community.

The program will be held on five Saturday mornings. The dates are: January 9, 16, 23, 30 & February 6. The courses will run from 8:45 a.m. - 10:15 a.m. and 10:25 a.m. - 11:55 a.m. Please complete the attached registration form by Friday, December 18th.

Again, we are pleased to be able to offer this program and we hope that it will enhance your child's learning experience.

Sincerely,

Michael Mastrangelo
Program Director

Additional copies of this brochure may be found on the Smithtown Central School District Website at:
