Dear Parent or Guardian:

SCOPE Education Services, in cooperation with the Smithtown Central School District, continues the exciting Winter Explorations Program for elementary school students. We are delighted to be able to offer this program again to your children in the hope of providing them with enriching ways to expand their learning while having fun.

The program will be held on five Saturday mornings. The dates are: January 5, 12, 19, 26 & February 2, 2019. The courses will run from 8:45 a.m. - 10:15 a.m. and 10:25 a.m. - 11:55 a.m. Please complete the attached registration form or register online by **Friday, December 7, 2018.**

Again, we are pleased to be able to offer this program and we hope that it will enhance your child's learning experience.

Sincerely,

Michael Hart
Program Director

WINTER EXPLORATIONS COURSES

Session 1: 8:45 a.m. - 10:15 a.m.

Session 2: 10:25 a.m. - 11:55 a.m.

CODING AND ROBOTICS FOR KIDS!

Introducing Ozobot... a pocket-sized coding robot! Come play, create and code. After completing Ozobot Basic Training, explore different codes as you program Ozobot to go bowling, become a snowplow, retell a favorite story and even compete in a race!

Course #1 - Session 1 - Grades 3-5

Course #2 - Session 2 - Grades K-2

CRAFTY KIDS

Love to try all different fun arts and craft projects? Want to try some new ones this winter? If yes, then this is the class for you! You will sculpt, woodwork, make jewelry, paint, etch, draw and more! If you love all types of arts and crafts, come join the fun!

Course #3 - Session 1 - Grades K-5

KIDS IN THE KITCHEN

Don't ask "what's for lunch?" Let's make it yourself! Kids' favorites as well as international foods will be prepared. Get ready to dig in, enjoy the food, gain cooking skills and have fun! The chefs will also create and design their very own cookbook from the recipes we used in this course. The kitchen classroom is the tastiest place to learn and have fun! Bon Appétit! **All new activities this winter. Returning students are welcome to participate!**

Course #4 - Session 1 - Grades 3-5

Course #5 - Session 2 - Grades K-2

MAKERSPACE

Calling all kids! We need your creative minds to explore, invent and problem solve through hands-on learning tasks. You will work both individually and collaboratively on STEM-based activities. Get ready to create things like luge tracks, obstacles for marbles, circuits, LEGO cities and popsicle stick bridges.

Course #6 - Session 1 - Grades K-2

Course #7 - Session 2 - Grades 3-5

SPOTLIGHT ON THEATER

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a winter filled with the magic of theater. Students will create and act out commercials, bring books to life and perform for peers by creating their own props and scenery. Come join us as we perform and light up the stage! **New skits and acting activities this winter.**

Course #8 - Session 2 - Grades K-5

TEAM BUILDING ADVENTURE GAMES

Grab your sneakers kids because this class is all about active fun! Students will participate in a variety of cooperative and non-traditional group games, trust and problem solving activities. In addition, students will play a variety of their favorite physical education style games including various versions of tag, castle ball, poison ivy ball, noodle tag and the parachute. You are guaranteed to have a blast!

Course # 9 - Session 1 - Grades 3-5

Course #10 - Session 2 - Grades K-2

WORLD OF POLYMERS

Stretching, Oozing, Bouncing and Shrinking! Do you love science? Then you will love this hands-on class where students will create slime, shrinky dinks and more! You will learn how to make bouncy balls and bubble gum, create suncatchers and dinosaur eggs and make snow in the middle of winter!
