Register Online

www.scopeonline.us

REGISTRATION DEADLINE: FRIDAY, NOVEMBER 16, 2018

Dear Parent or Guardian:

SCOPE Education Services, in cooperation with the Jericho School District, is pleased to offer an exciting After School Enrichment Program for elementary school students. We are delighted to be able to offer this program to your children in the hope of providing them with enriching ways to expand their learning while having fun.

The program will be held on Thursday afternoons for 10 weeks, from November 28, 2018 through February 14, 2019. Session 1 will run from 3:00pm—3:50pm. Session 2 will run from 4:00pm—4:50pm. Please complete the attached registration form or register online by **Friday, November 16, 2018**.

Again, we are pleased to be able to offer this program and we hope that it will enhance your child's learning experience.

Sincerely,
Deana Verone
SCOPE Program Director

SCOPE After School Enrichment Program at Robert Seaman Elementary School

Registration Information

1. Select any courses in which you would like to enroll your child. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
2. **Each course is \$125.00***. Total your course fees and enclose a check or money order payable to **SCOPE**. Credit cards are also accepted.

**20% sibling discount for additional children*

**20% discount if scheduled to attend SCOPE's After School Program on the same day*

3. **Please** fill out all information on the registration form. Return the completed registration form and full payment by **Friday, November 16, 2018** to:

*SCOPE After School Enrichment Program at Jericho
100 Lawrence Avenue
Smithtown, NY 11787*

Or **register online** at www.scopeonline.us. Go to Student Services. Under subheading School Year Enrichment Programs, click on Jericho After School Enrichment Program.

4. There will be a \$25.00 fee for any returned checks or declined credit cards.
5. **Confirmations and Emergency/Health forms will be emailed about one week prior to the start of the program. Please contact SCOPE if you do not receive an emailed confirmation. It is the parent's responsibility to see that their child is present on the first day of class. No credit/refund will be given.**
6. Course fees are nonrefundable after **Wednesday, November 21st**. **Refunds issued prior to November 21st will incur a \$10.00 processing fee.**
7. The After School Enrichment Program will be held at **Robert Seaman Elementary School**.
8. ***Parents are responsible for their child's transportation to and from the program.***
9. Children enrolled in both sessions may bring a snack.
10. For additional information, please call 631-360-0800 ext. 148 or email jcarbone@scopeonline.us.
11. SCOPE requires a minimum enrollment to be met in order to run the program.

ENRICHMENT COURSES

Session 1: 3:00 p.m. - 3:50 p.m.

Session 2: 4:00 p.m. - 4:50 p.m.

ARTISTIC EXPLORATION

Do you like to paint, draw, and build things out of clay? In this class we will create fun and innovative projects that inspire imagination and creativity. If you love art and enjoy learning new things, then this is the class for you! We might get messy, so don't forget to bring your smock!

Course # 1: Session 1: Grades K-1

Course # 2: Session 2: Grades 2-3

CHALLENGE ZONE

You have entered... the Challenge Zone! A place for students to test their problem-solving skills with exciting games and activities. From Chess, to bridge building and more, this course will be sure to challenge your mind. You will have fun using reasoning, analysis and critical thinking to solve puzzles and games. You will work independently and in groups to complete challenges. What are you waiting for? There are games to be conquered and problems to be solved!

Course # 3: Session 2: Grades 4-5

TECHNOLOGY FOR KIDS!

Have you ever wondered how to create animations or your own story on the computer? Want to have fun on the computer and get creative? We will explore computer science, educational websites, videos and unplugged lessons. We will also learn about the computer science industry and the many opportunities available for those who work in it.

Course # 4: Session 2: Grades K-1

Course # 5: Session 1: Grades 2-3

Course # 6: Session 1: Grades 4-5

COOK WITH A BOOK

Have you ever wondered what the treats described in your favorite books actually taste like? In this class students will read books and bring the food to life by preparing it in class! If you love to read and enjoy delicious snacks then this is the class for you!

Please be advise if your child has food allergies as the activities may not be allergy friendly.

Course # 7 - Session 2 - Grades K-2

EDIBLE SCIENCE AND EXPERIEMT

Have you ever wondered how things work? Discover, explore, and create our wonderful world through Edible Science and Experiments! Ever eat slime? Construct the layers of the Earth and claim you have eaten the world! You will have the opportunity to learn about science through our interactive and hands-on experiments and activities that will be sure to spark your imagination! So c'mon and get messy! Join us and explore the possibilities!

Please be advise if your child has food allergies as the activities may not be allergy friendly.

Course # 8 - Session 1 - Grades 2-3

Course # 9 - Session 2 - Grades 4-5

FITNESS FUN

Run a wacky race, toss bean bags at targets, play basketball and much more. Have loads of fun with your friends while improving physical fitness and teamwork skills. Enjoy the benefits of a healthy, active lifestyle while learning cooperation skills through physical fitness activities and sports. Leave behind the TV and video games and come join in the action! THE FUN IS HERE!

Course # 10: Session 1: Grades K-1

Course # 11: Session 2: Grades 2-3

Course # 12: Session 1: Grades 4-5
