WINTER ENRICHMENT COURSES

Session 1: 9:45 a.m. - 10:45 a.m.

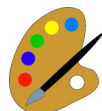

Session 2: 10:50 a.m. - 11:50 a.m.

CALM, COOL & COLLECTED

Homework? School? Not in this class! We will focus on staying calm, cool and collected. Exercise your brain and body through meditation & yoga. In addition, students will create sensory bottles and kits to enjoy at home! So join us in this mindful class as we practice staying cool.

Course #1 - Session 2 Grades 1-6

CANVAS AND ARTISTIC CREATIONS

Come join us and paint every Saturday. Students will have fun exploring different paints, techniques, subjects and being creative with paint. Students will have the opportunity to create a canvas painting while learning many different painting techniques. **Preserve your clothes, bring a smock!**

Course #2 - Session 1 - Grades 1-3 Course #3 - Session 2 - Grades 4-6

DELIGHTFULLY TASTEFUL

Don't ask "what's for lunch?" Let's make it yourself! Kids' favorite foods as well as chocolate treat recipes will be prepared. Get ready to dig in, enjoy the food, gain cooking skills and have fun! The chefs will also create and design their very own cookbook from the recipes in this course. The kitchen classroom is the tastiest place to learn and have fun! Bon Appétit!

Course #4 - Session 1 - Grades 4-6 Course #5 - Session 2 - Grades 1-3

FABRICS, CRAFTS AND CROCHET

Design, sew, crochet and more! Students will get crafty as we create fun crafts and accessories. Students will even learn simple crocheting stitches and use their artistic talents for designing beautiful creations. All are welcome to participate in this creative and crafty class.

Course #6 - Session 1 - Grades 1-6

MICROSOFT AND MORE

Have you ever wondered how to create cool projects, and posters? Come join us and learn how to use Microsoft Word, PowerPoint and Google to make creative projects and fun presentations. We will also explore educational websites and improve our keyboarding skills. Get ready for the future!

Course #7 - Session 1 - Grades 4-6

Course #8 - Session 2 - Grades 1-3

SPORTS AND FITNESS FUN

Run a wacky race, toss bean bags at targets, play basketball and much more. Have loads of fun with your friends while improving physical fitness and teamwork skills. Enjoy the benefits of a healthy, active lifestyle while learning cooperation skills through physical fitness activities and sports. Leave behind the TV and video games and come join in the action! THE FUN IS HERE!

Course #9 - Session 1 - Grades 4-6

Course #10 - Session 2 - Grades 1-3

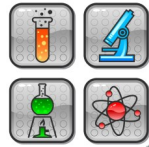

SPOTLIGHT ON THEATER

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a winter filled with the magic of theater. Students will create and act out commercials, bring books to life and perform for peers by creating their own props and scenery. Come join us as we perform and light up the stage!

Course #11 - Session 1 - Grades 1-3

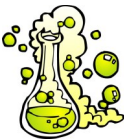

Course #12 - Session 2 - Grades 4-6

STEAM CHALLENGE

Do you like to explore and discover new things? If so, join us as we explore the world using interactive experiments that will be sure to spark your imagination. This hands-on class will include activities that incorporate aspects of science, technology, engineering, art and math (STEAM). Students will engage in challenges like building bridges and boats while testing their strength and much more. All will be sure to have a blast, so let the challenge begin!

Course #13 - Session 1 - Grades 4-6 Course #14 - Session 2 - Grades 1-3

WACKY EDIBLE SCIENCE

Have you ever wondered how things work? Discover, explore, and create our wonderful world through Edible Science! Ever eat slime? Construct the layers of the Earth and claim you have eaten the world! You will have the opportunity to learn about science through our interactive and hands-on experiments and activities that will be sure to spark your imagination! So c'mon and get messy! Join us and explore the possibilities!

Course #15 - Session 1 - Grades 1-3 Course #16 - Session 2 - Grades 4-6

ZUMBA KIDS PARTY

Do you love to dance? Then why don't you give Zumba a chance? Zumba kids classes feature kid-friendly routines based on original Zumba choreography. We break down the steps, add games, activities and cultural elements into the class structure. A combination of popular songs and dance moves will be used to keep the children's feet moving and heart pumping for the winter.

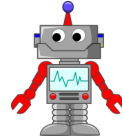

WEAR COMFORTABLE CLOTHES AND SNEAKERS.

Course #17 - Session 1 - Grades 1-6

ENRICHMENT COURSES: 9:45 - 11:50AM

ROBOTICS FOR KIDS!

Grades 4-6

Through the use of LEGO Robotics kits, this course will enable students to design, build and program small scale robots. Students will learn fundamental engineering and problem solving through challenging robotic projects. Each project will require participants to plan, collaborate and design their robots in groups with the guidance of a teacher. Come help bring robots to life!

This course runs from 9:45 - 11:50am

This course costs \$220.00 per student

Course #18 - Session 1 & 2 - Grades 4-6

Story Time

KINDER FUNFEST

Kindergarten Students

The Kinder Funfest is a two-hour class of fun activities for kindergarten children including story-time, arts and crafts and a variety of games. Through creative play and group interaction, the kindergarten children are guaranteed to have FUN! Children are encouraged to wear old clothes as we dive into hands-on activities. Hope to see you there!

This course runs from 9:45 - 11:50am

This course costs \$150.00 per student

Course #19 - Session 1 & 2 - Grade K

PLEASE NOTE:

1. Select any courses in which you would like to enroll your child. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
2. SCOPE requires a minimum enrollment to be met in order to run the program and reserves the right to cancel a course due to insufficient enrollment.
3. Confirmations will be emailed about one week prior to the start of the program. Please contact SCOPE if you do not receive an emailed confirmation. It is the parent's responsibility to see that their child is present on the first day of class. No credit/refund will be given.
4. Course fees are nonrefundable after Wednesday, January 16, 2019. Refunds issued prior to January 16th will incur a \$10.00 processing fee.
