MasterCard, Visa, Discover and ACH accepted

PLEASE NOTE:

1. Select any courses in which you would like to enroll your child. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
2. SCOPE requires a minimum enrollment to be met in order to run the program and reserves the right to cancel a course due to insufficient enrollment.
3. Confirmations will be emailed about one week prior to the start of the program. Please contact SCOPE if you do not receive an emailed confirmation. It is the parent's responsibility to see that their child is present on the first day of class. No credit/refund will be given.

Saturday Enrichment Courses

Session 1: 8:45 a.m. - 10:15 a.m. Session 2: 10:30 a.m. - 12:00 p.m.

BOARD GAMES AND PUZZLES

Do you like to play board games and solve puzzles? If so, join us for an exciting 5 weeks as we challenge our mental capacities to compete in popular board games and solve puzzles! This hands-on class will include activities that incorporate aspects of socialization, fair play, and collaboration. Students will engage in challenges like chess, scramble, and 3-D puzzles. All will be sure to have a blast, so let the challenge begin!

Course #1 - Session 1 - Grades 3-5

Course #2 - Session 2 - Grades K-2

CODING FOR KIDS!

Do you enjoy playing video games and using apps? Would you like to know how they are made? Join our class and learn the basics of computer programming. You will learn how to code so you can begin designing your own games and apps! **All new activities this year. Returning students are welcome to participate!**

Course #3 - Session 1 - Grades K-2

Course #4 - Session 2 - Grades 3-5

DELIGHTFULLY TASTEFUL

Do you enjoy making tasty foods and healthy snacks? In this class, the students are the chefs. The chefs will prepare and taste healthy and fun snacks and learn how to work safely and be responsible in the kitchen. The chefs will leave with their very own cookbook from the recipes we use in this course. The kitchen classroom is the tastiest place to learn and have fun! Bon appetite! **All new activities this year. Returning students are welcome to participate!**

Course #5 - Session 1 - Grades 3-5

Course #6 - Session 2 - Grades K-2

LAWN GAMES AND FITNESS FUN

Run a wacky race, toss bean bags at targets, play basketball and much more. Have loads of fun with your friends while improving physical fitness and teamwork skills. Enjoy the benefits of a healthy, active lifestyle while learning cooperation skills through physical fitness activities and sports. Leave behind the T.V. and video games and come join in the action! THE FUN IS HERE!

Course #7 - Session 1 - Grades K-5

Course #8 - Session 2 - Grades K-5

MAKERSPACE

Calling all kids! We need your creative minds to explore, invent and problem solve through hands-on learning tasks. You will work both individually and collaboratively on STEM-based activities. Get ready to create things like marble roller coasters, paper rockets, catapults, tooth pick towers and popsicle stick bridges.

Course #9 - Session 1 - Grades K-5

Course #10 - Session 2 - Grades K-5

WINTER WONDERLAND CRAFTS

Do you have an interest in the winter and enjoy the snow? Join this hands-on & "COOL" session to create your own puffy paint snowman, snowflakes, personalized snow globes, and design a mug ALL while indoors! We'll even make colorful snowflakes to brighten up the wintertime and enjoy a cup of hot chocolate! **All new activities this year. Returning students are welcome to participate!**

Course #11 - Session 1 - Grades K-2

Course #12 - Session 2 - Grades 3-5
