Entering Kindergarten Courses

For students entering Kindergarten in September 2019

4 weeks:

Monday - Thursday

July 1st - July 25th

(excluding July 4th)

Period A: 8:30 a.m. - 10:15 a.m.

Period B: 10:30a.m. - 12:15 p.m.

- Kindergarten courses cost **\$215.00 per period.**
- Please note that these courses will meet for **four weeks** for 1 ½ hours each day.

KINDERGARTEN STEAM

Children entering Kindergarten in September 2019 will feel the heat with “Summertime STEAM.” This course is designed to enhance children’s thinking skills by having them participate in exciting and stimulating science, technology, engineering, art and mathematics activities. While bridging the gap between Pre-Kindergarten and Kindergarten, children will build projects, spend time in observation stations and use art materials to record experiences. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.

Course #1: Period A July 1st - July 25th 8:30 a.m. - 10:15 a.m.

READ ALL ABOUT IT

Children entering Kindergarten in September 2019 will be stimulated with engaging stories, flannel boards, music and crafts to occupy warm summer days. The class is designed to bridge the gap between Pre-Kindergarten and Kindergarten and work collaboratively with Kindergarten STEAM. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.

Course #2: Period B July 1st - July 25th 10:30 a.m. - 12:15 p.m.

COURSES FOR STUDENTS ENTERING 1st - 6th Grade

Session 1: Monday, July 1–Thursday, July 11	8:30am-10:15am
Session 2: Monday, July 1–Thursday, July 11	10:30am-12:15pm
Session 3: Monday, July 15–Thursday, July 25	8:30am-10:15am
Session 4: Monday, July 15–Thursday, July 25	10:30am-12:15pm

Chopped Islip Edition

Grades 1-6

Ever wonder what it would be like to be a top chef making tasty dishes for all to try? Now is your chance! Come create fun, exciting, and edible works of art. Each day will be a different theme where we will create a candy scene and vote on the day's favorites. Then we will work together to create a simple and delicious recipe to take home and try. So come and be a part of the sensation of *Chopped!*

Course # 3 - Session 3

Cooking for All!

Grades 1-6

Course # 4 - Session 4

Here is a chance to play in the kitchen, with creative ideas and food choices. If you are a budding chef, a picky eater, or a child who likes to dabble with food in creative ways to make snacks and simple meals, sign up! We will be designing & sampling Pinterest recipes, voting on and experimenting with alternate preparations of old time favorites, and creating our own recipe books to share with everyone at home. Every class will be an adventurous snack period filled with food related themes and edible projects. A YUMMY time will be had by all.

Session 1- Breakfast recipes. Session 2- Lunch recipes.

Course # 5 - Session 1

Course # 6 - Session 2

Edible Science

Grades 1-6

Have you ever wondered how things work? Discover, explore, and create our wonderful world through Edible Science! Ever eat slime? Ever create a worm farm out of pudding and gummy worms? Construct the layers of the Earth and claim you have eaten the world! Come join us and learn about Science and then eat what you learned!

Course # 7 - Session 1

Course # 8 - Session 3

Escape the Room

Grades 1-6

Up for a challenge? You're in a room and the only way out is to use critical thinking skills and teamwork. In this class, you will have fun using reasoning, analysis and evaluation to solve puzzles and games. You will work independently and in groups to complete challenges. Your culminating activity each week will be to work together to Escape the Room!

Course # 9 - Session 1

Course # 10 - Session 3

Fun with Nature

Grades 1-6

Do you love to collect flowers, rocks, sticks, and leaves but you're not sure what to do with them? Let's explore the nature around us and create art and crafts with your findings. Be prepared to get a little messy during this fun and hands-on class. Students will create bird feeders, sun catchers, plant seeds, go on scavenger hunts, and MORE! Join this adventure and get creative!

Course # 11 - Session 2

Course # 12 - Session 4

LEGO Challenge

Grades 1-6

Calling all LEGO builders! Here is your opportunity to show off your LEGO building talents and learn new building ideas. Put your imagination to work and have fun sharing ideas with other LEGO fans. Each day, a new building challenge will be given. Will you become the next LEGO master builder?

Course # 13 - Session 1

Course # 14 - Session 2

Ready Set Action!

Grades 1-6

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a summer filled with the magic of theater. Students will create and act out commercials, bring books to life and perform for peers by creating their own props and scenery. You can even perform scenes and songs from popular children's theater and famous musicals. Come join us as we perform and light up the stage. LIGHTS, CAMERA, ACTION!

Course # 15 - Session 3

Course # 16 - Session 4

Rockin' Technology

Grades 1-6

One, two, three...Blast Off! Interested in building things? Giving things the power to move? Then this is the class for you! Join us in constructing (things like catapults!), powering up (cars and rockets!), launching (mini marshmallows!), and much more.

Course # 17 - Session 2

Course # 18 - Session 4

Sport Tactic!

Grades 1-6

Students who enroll in this class will be sure to have a ball! Students will also participate in contests like "homerun derby", "around the world basketball", and "longest throw competition". This course is for students who enjoy learning new sports, games, and want to develop good sportsmanship.

Course # 19 - Session 1

Course # 20 - Session 3

Surviving the Outdoors

Grade 1-6

Lost and alone! Use all of your senses to discover the tricks needed to survive in the wild world. After you become an expert in survival, try your hand at using a compass, and building your own survival shelter. Let the games begin, your kids will learn through games geared to using their senses and environment.

Course # 21 - Session 2

Course # 22 - Session 4

Up-Cycling Art

Grades 1-6

Turn garbage cans into gold. Teach the importance of renewing and recycling. Turn old items into something new. This fun class is for kids who want to take unused items and restore into a work of art. Join the recycling and renew club!

Course # 23 - Session 1

Course # 24 - Session 3

Yoga, Mindfulness & More

Grades 1-6

Homework? School? Not in this class! We will focus on staying calm, cool and collected. Exercise your brain and body through meditation & yoga. In addition, students will create sensory bottles and kits to enjoy at home! So join us in this mindful class as we practice staying cool.

Course # 25 - Session 2

Course # 26 - Session 4
