KINDERGARTEN STEAM

Children entering Kindergarten in September 2019 will feel the heat with "Summertime STEAM." This course is designed to enhance children's thinking skills by having them participate in exciting and stimulating science, technology, engineering, art and mathematics activities. While bridging the gap between Pre-Kindergarten and Kindergarten, children will build projects, spend time in observation stations and use art materials to record experiences. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.

Course #35: 1st Period
July 1st - July 26th 8:30am-9:45am

READ ALL ABOUT IT

Children entering Kindergarten in September 2019 will be stimulated with engaging stories, flannel boards, music and crafts to occupy warm summer days. The class is designed to bridge the gap between Pre-Kindergarten and Kindergarten and work collaboratively with Kindergarten STEAM. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.

Course #36: 2nd Period
July 1st - July 26th 9:55am-11:10am

FUN & FITNESS

Children entering Kindergarten will work on their fine and gross motor skills by participating in movement related activities. Musical hoops, soccer, and sponge relays are amongst some of the high-energy activities keeping your child running and jumping this summer. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.
