Entering Kindergarten Courses

For students entering Kindergarten in September 2019

4 weeks:

July 8th - August 2nd

Period A: 8:45 a.m. - 10:15 a.m.

Period B: 10:30 a.m. - 12:00 p.m.

- Kindergarten courses cost **\$236.00 per period.**
- Please note that these courses will meet for ***four weeks*** for 1 ½ hours each day.

KINDERGARTEN STEAM

Children entering Kindergarten in September 2019 will feel the heat with “Summertime STEAM.” This course is designed to enhance children’s thinking skills by having them participate in exciting and stimulating science, technology, engineering, art and mathematics activities. While bridging the gap between Pre-Kindergarten and Kindergarten, children will build projects, spend time in observation stations and use art materials to record experiences. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.

Course #1: Period A July 8th - August 2nd 8:45 a.m. - 10:15 a.m.

READ ALL ABOUT IT

Children entering Kindergarten in September 2019 will be stimulated with engaging stories, flannel boards, music and crafts to occupy warm summer days. The class is designed to bridge the gap between Pre-Kindergarten and Kindergarten and work collaboratively with Kindergarten STEAM. This class will meet for four weeks and is intended only for students entering Kindergarten in September 2019.

Course #2: Period B July 8th - August 2nd 10:30 a.m. - 12:00 p.m.

SUMMER ENRICHMENT COURSES

SESSION 1: MONDAY, JULY 8 - FRIDAY, JULY 19

Period A: 8:45 a.m. - 10:15 a.m.

Period B: 10:30 a.m. - 12:00 p.m.

SESSION 2: MONDAY, JULY 22 - FRIDAY, AUGUST 2

Period A: 8:45 a.m. - 10:15 a.m.

Period B: 10:30 a.m. - 12:00 p.m.

CHEF SCHOOL

Put on your chef hat and get ready to cook! Students will learn how to make a variety of fun and healthy recipes that they can enjoy taste testing in class! Students will create and design a recipe book to bring home so they can showcase their new cooking skills for the family! Bon Appétit!

Course #3 Session 1 Period A-Grades 4-6

Course #4 Session 2 Period B-Grades 4-6

COOK WITH A BOOK

Have you ever wondered what the treats described in your favorite books actually taste like? In this class students will read picture books and bring the food to life by preparing it in class! If you love to read and enjoy delicious snacks then this is the class for you!

Featuring new activities - returning students are welcome!

Course #5 Session 1 Period B-Grades 1-3

Course #6 Session 2 Period A-Grades 1-3

CRAFTY CORNER

Do you love to be creative and showcase your artistic talents? In Crafty Corner you will get to design things that you can use at home with your family and friends this summer. You will get to design mini-flower pots, create bugs and butterflies, birdhouses, mosaic tiles and much, much more! The best part is you can design it however you want! Let's get creative this summer in Crafty Corner! **All new activities - returning students are welcome!**

Course #7 Session 1 Period B-Grades 1-3

Course #8 Session 2 Period A-Grades 1-3

CRAZY SCIENTISTS

Science is experimental, exploratory and exciting! It's about the "**Aha!**" moments in life, like when you figure out how something works or when you're amazed by the result of an awesome experiment. You will have the opportunity to learn about science through our interactive and hands-on science activities that will be sure to spark your imagination! So c'mon and get messy! Let the discovery and exploration begin!

Course #9 Session 1 Period A-Grades 1-3

Course #10 Session 1 Period B-Grades 4-6

CREATIVE CODING AND TECHNOLOGY FOR KIDS!

Have you ever wondered how to code a video game, create animations or your own website? Want to have fun on the computer and get creative? We will explore computer science through coding, educational websites, videos and unplugged lessons. Students will be well on their way to becoming the computer scientists of the future! **Featuring new activities - returning students are welcome!**

Course #11 Session 1 Period B-Grades 4-6

Course #12 Session 2 Period A-Grades 4-6

DRAMA-RAMA

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a summer filled with the magic of theater. Students will create and act out plays and commercials and perform for peers by creating their own props and scenery. Come join us as we perform and light up the stage! **All new activities - returning students are welcome!**

Course #13 Session 1 Period A-Grades 4-6
Course #15 Session 2 Period A-Grades 1-3

Course #14 Session 1 Period B-Grades 1-3
Course #16 Session 2 Period B-Grades 4-6

ENGINEERING CHALLENGES WITH STEAM

Kids will have a blast exploring, designing and problem solving as they create a variety of engineering challenges. Students will utilize a wide range of materials to design, build, and adjust plans to create some very exciting projects. Students will compete to build the tallest freestanding tower and structure, create mazes, design a marble run, create egg parachutes and more!

Course #17 Session 1 Period A - Grades 4-6
Course #19 Session 2 Period A - Grades 1-3

Course #18 Session 1 Period B- Grades 1-3
Course #20 Session 2 Period B- Grades 4-6

LEGO LAND

Are you looney for LEGOS? In this fun and creative class, kids have an opportunity to explore how to build various LEGO designs using an assortment of LEGOS. Kids will be provided with a selection of LEGO project choices daily, and will challenge their problem solving skills to recreate popular designs. They will have the opportunity to be creative and make their own designs as well! Have fun and become a master at building with LEGOS!

Course #21 Session 1 Period A - Grades 1-3

Course #22 Session 2 Period A-Grades 4-6

Course #23 Session 2 Period B-Grades 1-3

PROJECT ADVENTURE

Students will participate in a series of cooperative games, team-building initiatives, and challenging adventure activities in this fun and exciting course. This class will keep students on their toes, having to use both their minds and bodies to complete the daily challenges!

Course #24 Session 1 Period A-Grades 1-3

Course #25 Session 2 Period A-Grades 4-6

SEE AND SKETCH

This class will be a paint night for kids! Students will create canvas paintings, wooden signs, garden decor, painted glass and more! Students will have fun exploring different paints, techniques, subjects and being creative with paint. Preserve your clothes, bring a smock!

Course #26 Session 1 Period A-Grades 4-6

Course #27 Session 2 Period B-Grades 4-6

SPORTS FUN IN THE SUN

This is a class where children will participate in various team sports and activities that will help students stay active! Children will have fun taking part in games that help develop different fundamental skills for all age levels! Cooperative games will be played to help develop teamwork and sportsmanship, as well as to learn new techniques! Don't forget to wear your sunscreen, dress appropriately and bring water! Let the games begin!

Course #28 Session 2 Period B-Grades 1-3

SWEET SCIENCE

In this class, science comes to life in the form of edible treats! Students will learn about atoms by creating diagrams with gum drops, explore solar systems with Rice Krispy planets, understand mixtures by creating trail mix and much more!

Course #29 Session 2 Period B-Grades 1-3

SWEET SHOPPE

Do you have a sweet tooth and enjoy cooking and baking? In this class, the students are the chefs. The chefs will work together to prepare and bake various delicious treats! They will also learn how to work safely and be responsible in the kitchen. The chefs will leave with their very own cookbook of the recipes we use in this course. The kitchen classroom is the tastiest place to learn and have fun! **All new activities - returning students are welcome!**

Course #30 Session 2 Period A-Grades 4-6

THIS PLACE IS A ZOO!

This class will take students on a wild safari by exploring all of the animals that live at the zoo. Students will create art projects, read stories, play games and much more to learn all about their favorite animals!

Course #31 Session 2 Period B-Grades 1-3

WHERE IN THE WORLD...?

Bon Voyage! Students will embark on a journey to a new country every day! They will learn about the cultures of different countries and make recipes, create art projects and learn new words from different places! Travel to Italy and make delicious pasta or pizza, travel to Japan and learn to make origami. The whole world awaits you!

Course #32 Session 1 Period A-Grades 1-3

Course #33 Session 1 Period B-Grades 4-6

YOGA & FITNESS GAMES

Introducing children to yoga at an early age can help them in many ways--it will help manage stress, build concentration, increase confidence and encourage a healthy lifestyle! This class will teach students basic poses and breathing techniques. Students will also participate in team building fitness games to get them moving and grooving!

Course #34 Session 1 Period B-Grades 4-6
