Program Overview:

If you're looking for an exciting summer filled with hands-on activities allowing students to learn while having fun, then the Primary Program at Manhasset Summer Center is the place for your child! During this program, students will complete creative **Arts & Crafts** projects daily related to literature and student interests. In addition, students will enjoy **the great outdoors** (weather permitting), with fitness fun activities. Alley Pond Environmental Center also visits to show children a variety of **live animals** while also teaching them about their **habitats**. Several times a week the students will enhance their thinking skills by participating in **STEAM activities** in Science, Technology, Engineering, Art, and Math.

Registration is filled on a first-come, first-served basis.

Register now to secure your child's spot.
