World of Polymers

Stretching, oozing, bouncing and shrinking! Do you love science? Then you will love this hands-on class where students will create slime, shrinky dinks and more! You will learn how to make bouncy balls and bubble gum, create suncatchers and dinosaur eggs and make snow indoors.

Edible Science

Have you ever wondered how things work? Discover, explore, and create our wonderful world through Edible Science! Eat slime! Construct the layers of the Earth and claim you have eaten the world! Come join us and explore the possibilities!

Strategic Games

Do you like to play board games and solve puzzles? If so, join us for an exciting 10 weeks as we challenge our mental capacities to compete in popular board games and solve puzzles! This hands-on class will include activities that incorporate aspects of socialization, fair play, and collaboration. Students will engage in challenges like chess, scrabble, checkers, and 3-D puzzles. All will be sure to have a blast!

World Languages

This unique experience will enhance your child's cultural awareness and provide a valuable introduction to the study of world languages. Students will explore several languages through songs, games and other fun activities.

Wearable Art

Make your statement and wear it! Design your own bracelets, t-shirts, wristbands, headbands and more!

Spotlight on Theater

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a class filled with the magic of theater. Students will create and act out commercials, bring books to life and perform for their peers by creating their own props and scenery. Come join us as we perform and light up the stage!

Fitness, Yoga & More

Enjoy the benefits of a healthy, active lifestyle while learning cooperation skills through physical fitness activities and sports. We will also focus on staying calm, cool and collected by exercising the student's brain and body through meditation and yoga. Students will also be engaged in mindfulness activities allowing them to focus on their current feelings and their surroundings. Leave behind the TV and video games and come join in the action! Let the games begin!

Funtastic Fitness

Students will participate in various games and activities that will help them stay active! Run a wacky race, have a bean bag toss, play sports and more. Have loads of fun with your friends while improving physical fitness and teamwork skills. THE FUN IS HERE! Please join us for some fun fitness!
