From Learners to Leaders

SCOPE...A path to endless possibilities

SMITHTOWN SCHOOL DISTRICT

MILLS POND ELEMENTARY

SENSATIONAL SCIENCE 2

FOR STUDENTS IN GRADES 2-4

Winter is here and it's cold outside, but science club is heating up. During Sensational Science 2, students will continue to explore the world of science. Students will experiment with magnetism and discover metal in places they have never dreamt of. Additionally, they will explore the worlds of acids and bases and how people interact with them everyday. They will be excited to investigate the power of the air and how it can move everyday objects.

TUESDAYS	1/14, 1/21, 1/28, 2/4	8:30 - 9:30 AM
WEDNESDAY	1/15, 1/22, 1/29, 2/5	8:30 - 9:30 AM

**SAVE THE DATES!!
SENSATIONAL
