World of Polymers

Stretching, oozing, bouncing and shrinking! Do you love science? Then you will love this hands-on class where students will create slime, shrinky dinks and more! You will learn how to make bouncy balls and bubble gum, create suncatchers and dinosaur eggs and make snow indoors.

Coding and STEAM for Kids

Introducing Ozobot... a pocket-sized coding robot! Come play, create and code. After completing Ozobot Basic Training, explore different codes as you program Ozobot to go bowling, become a snowplow, retell a favorite story and even compete in a race!

Adventure Sports

Grab your sneakers kids, because this class is all about active fun! Students will participate in a variety of cooperative and non-traditional group games, trust and problem-solving activities. In addition, students will play a variety of their favorite physical education style games including various versions of tag, castle ball, poison ivy ball, noodle tag and the parachute. You are guaranteed to have a blast.

Crafty Kids

Love to try all different fun arts and craft projects? Want to try some new ones this winter? If yes, then this is the class for you! You will sculpt, woodwork, make jewelry, paint, etch, draw and more! If you love all types of arts and crafts, come join the fun!

Super Scientists

Join us as we make exciting discoveries about motion, weather, life science and chemistry. We'll use lab equipment and every day household items in our explorations. We will have new activities this year so returning students are welcome to join in on the fun! Science is everywhere; come find it with us!

Kids in the Kitchen

Do you enjoy making and eating tasty foods? Join us as we explore, prepare and taste foods and snacks from different countries such as Italy, France, Mexico, and many more places around the world. Get ready to make your very own multi-cultural cookbook to use at home with the recipes we make in class. Get those taste buds ready as we embark on our cooking adventure. **All new activities this winter. Returning students are welcome to participate! If your child has food allergies we will make every effort to accommodate his/her needs, but please be aware that all ingredients are not guaranteed to be free of all various allergens.**

Spotlight on Theater

Do you crave the spotlight? Do you want to improve your acting skills? Well, now is your chance to be in the limelight! Students will learn various acting skills and stand in the spotlight for a class filled with the magic of theater. Students will create and act out commercials, bring books to life and perform for their peers by creating their own props and scenery. Come join us as we perform and light up the stage!

Irish Step Dancing

Luck o' the Irish to you this winter! Come learn traditional Irish step dancing moves from a national and world Irish step dancing competitor. Students will learn the jig, ceili, and more. Bring sneakers or dance shoes and be prepared for a performance on the last day!
