SCOPE...A path to endless possibilities

WEST BABYLON SCHOOL DISTRICT

FOREST AVENUE SCHOOL STEAM ENRICHMENT PROGRAM FOR STUDENTS IN GRADES K-5

Science, Technology, Engineering, Art, and Mathematics are part of our everyday lives, both in and out of the classroom. This year, students will explore all new lessons that allow them to be hands-on and engage in a variety of STEAM activities. Students will work together in groups to imagine and create a variety of innovative projects. Join us and bring your imagination and creativity as we embark on a journey through the world of STEAM.
