Course Descriptions

African Drumming

Children will learn the basics of drumming: call and response and following a simple drum pattern for songs.

Music, Movement & More

Children will work on fine and gross motor skills by participating in movement and music activities. Different organized activities will keep the children running and jumping and playing!

Primary STEAM

Children will enhance thinking skills by participating in exciting and stimulating Science, Technology, Engineering, Art and Mathematics activities. Children will build projects, observe, and use art materials to record experiences.

Stories & Crafts

Children will read exciting stories by beloved authors and create crafts to take home that go along with the stories.
