

SCOPE Education Services Presents

# HS & MS Enrichment Courses

Summer 2021 for all Garden City Residents

Located at Stratford Avenue School

For Students Entering 7th-12th Grade

Program Dates: Week 1 July 6-9; Week 2 July 12-16; Week 3 July 19-23; Week 4 July 26-30, 2021

## Course 1: Digital Film Making, Editing & Photography @ Stratford

Instructor: Mr. Davola; For Students Entering 7-12th Grades;

Week 1, 2, 3 & 4 Period A 9:00am—10:30am

Students will use digital technology devices and apps to create short movies and longer productions in digital film production and film editing. Students will learn how to make and edit videos with artistic expression. Students will also learn techniques for digital photography and digital film editing. Students will work toward creating a digital portfolio of their art work and films produced over the summer. Students can sign up for one or more weeks to learn many new skills and work on different projects each week.

## Course 2: Coding and Digital Programming @ Stratford

Instructor: Mr. Davola; For Students Entering 7-12th Grades;

Week 1, 2, 3 & 4 Period B 10:30am-12:00pm

This is an introductory & intermediate course in coding and basic computer language for secondary students. We will explore the use of the computer languages known as HTML and CSS to aid in the final goal of producing web pages and computer applications from start to finish, using computer language coding. We will explore the world of apps and creating computer games & programs. Students can sign up for one or more weeks to learn many new skills and work on different projects each week.

## Course 3: Creative Writing & Journalism! @ Stratford

Instructor: Mrs. Moss; For Students Entering 7-12th Grades

Weeks 1 & 4 Period A 9:00am-10:30am & Period B 10:30am-12:00pm

This course designed for students to create original forms of artistic written expression & descriptive writing, poetry, drama and fiction. Students will focus on the artistic aspect of writing and expression. Students will also learn about the journalism world and different forms of modern and digital forms of journalism. Students will enhance their writing skills while expressing themselves through their written pieces.

## Course 4: Middle School Math & Algebra Enhancement! @ Stratford

For Students Entering 7th & 8th Grade

Weeks 1 & 4 7th Grade Period A 9:00am-10:30am & 8th Grade Period B 10:30am-12:00pm

We know the regents may be far off, but get a head start by learning fundamental foundational skills in middle school math; featuring lessons and skills in Algebra and geometry. Students will strengthen their performance in math. This class is meant to pre-teach foundational mathematical skills that students will encounter on the regents. This will be a fun yet serious academic class to enhance students math skills throughout the summer.

## Course 5: Paint Nite...in the AM @ Stratford

Instructor: Ms. Howard; For Students Entering 7th to 12th Grades

Weeks 3 & 4 Period A 9:00am-10:30am & Period B 10:30am-12:00pm

Students will come to this one week course and paint a new masterpiece each day. Students will learn through step-by-step tutorial based instruction on how to create and paint their own canvas creations. At the end of the week students will come home with multiple artistic creations and enhance their expressive art skills. Students can sign up for one or more weeks to learn many new skills and work on different projects each week.

**\$55 PER COURSE WEEK 1; \$65 PER COURSE WEEKS 2, 3 & 4**
