World Languages

Introduction to Mandarin Chinese Grades K-8

9:00–10:00 AM

Join our master linguistic expert Ms. Mao and take a virtual linguistic and cultural trip to China! You will learn how to read, speak and write in traditional Mandarin Chinese. This 8 week online course will introduce you to Chinese customs, vocabulary and traditions from this ancient and fabulous country. Lessons and curriculum will continue as new vocabulary is introduced to both new and returning students. Chinese calligraphy will be taught too!

Coding & Technology: Gaming Coding

Introduction to Coding for Grades K-8

10:00-11:00 AM

Do you want to learn more about coding and technology? Do you love games like Minecraft? Do you love movies like Star Wars and Frozen? We will use these platforms and online resources to teach, learn and explore block-based coding and technology while having fun and learning important introductory computer science skills.

World-Wide-Cooking

Grand Tour of Italy Grades K-8

11:00 AM -12:00 PM

This is a cooking class of a higher caliber. Students will prepare authentic Italian dishes ready at lunchtime for your whole family to enjoy. Mrs. Mondellii is back with a new rendition of World-Wide Cooking and Baking Italy style! From famous desserts to delicious appetizers and iconic meals to eat per pranzo (for lunch). Our young chefs will be exploring meats, pastries, and secret family recipes that will fill the kitchen with love and warmth. Along the way, our chefs will learn a new Italian phrase and embrace the Italian culture! **Benvenuti nella cucina d'Italia!** (Welcome to the Kitchen of Italy!)

Supplies may need to be individually purchased by families. Supply lists will be provided prior to class. Parent support and participation may be needed for some courses. All courses will be via ZOOM. Links sent before course begins. Registration Deadline January 14, 2022. No refunds after registration deadline.
