SCOPE EDUCATION SERVICES

COURSE DESCRIPTIONS:

K-1 Course Descriptions:

Adventure Sports & Scavenger Hunts:

Join your friends in an action packed sports training class. We will focus on individual and competitive fun sports. Relay races, scavenger hunts, obstacle courses, and field training. Kids will learn social-emotional skills of teamwork, perseverance, determination and following direction skills all while having fun and being physically active outdoors and indoors.

Disney Music & Art Experience:

Come along on a magic carpet ride as we show you a whole new world of the music and art from Walt Disney. You will learn famous songs, music and movement of Disney productions featuring Frozen, Aladdin, Lion King, Beauty and the Beast and more Disney productions. You will whistle while you work and sing along as we also complete cartooning and art projects related to Disney characters and scenes. Children will be immersed in a world of art, music and cartooning.

Magic Masters:

In this introductory magic class, students will learn the art of illusion. Students will learn how to vanish an object, transform items into a different item, make objects disappear and reappear and learn many card and money tricks to show off! Students will practice to be able to put on a small magic show at the end of the semester. Students will be provided demonstrations, instructions and opportunities to practice!

Primary Origami, Anime and Cartooning:

If your child loves art, origami and cartoons, this class is for them! Each week students will focus on a specific object such as animals, foods, cartoon characters and objects from nature to create both in origami and cartoon form. Students will design objects utilizing various origami techniques and learn cartooning and drawing skills to give these objects character. If your child loves art, this class will surely please them. They will come home each day with several projects completed!

Primary Coding and Technology

This introductory course will feature an outstanding curriculum focusing on problem based solving, logical thinking, creativity, resilience, persistence and boost your child's confidence! Students will code with Minecraft, Star Wars, and Frozen block-based tutorial programs.

Primary STEAM

Do you love to create new designs or to solve challenging problems? Work with teams and let your curiosity and creativity soar, as we explore the world of SCIENCE, TECHNOLOGY, ENGINEERING, ART and MATH! Students will explore topics in STEAM and science to explore their natural world while creating exciting projects.

Team Sports Clinic

This class will focus on teamwork and developing social and athletic skills in our primary aged students. Students will learn skills in soccer, basketball, kickball and other team related field and indoor sports. Students will develop their social skills by following directions and working as a team.

Summer Arts & Crafts

If you enjoy arts and crafts and love summer, then this is the course for you! Using summer fun themes like beaches, shells, fish, boats and lighthouses we will create a variety of sun-sational projects. In this course, we will use a variety of mediums to create beautiful works of art! We will use materials such as watercolors, clay, paint and more. Let your imagination soar as you explore summer favorites.

ELA Skill Building

This foundational skills class will highlight and feature grade level skills and strategies in ELA and ENL. This course is designed to support your child in their academic growth and development. Get a head start by reviewing and strengthening important prerequisite skills for class.

Math Skill Building

This foundational skills class will highlight and feature grade level skills and strategies in mathematics. The course is designed to support your child in their academic growth and development. Get a head start by reviewing and strengthening important prerequisite skills for class.

SCOPE EDUCATION SERVICES

COURSE DESCRIPTIONS:

Grades 2-3 Course Descriptions:

Adventure Sports

Join your friends in an action packed sports training class. We will focus on individual and competitive fun sports. Relay races, scavenger hunts, obstacle courses, and field training. Kids will learn social-emotional skills of teamwork, perseverance, determination and following direction skills all while having fun and being physically active outdoors and indoors.
