November  
5<sup>th</sup> SAT  
Exam

## Education Services 2022 SAT Prep Course South Huntington School District

SCOPE, Long Island's leading education services provider, is pleased to provide an SAT Prep course that aligns with the test formats. Given in the fall 2022, the test supports college readiness with a clear focus on the skills and knowledge that matter most for college success.

Our programs are research-based and specifically designed to help students gain a thorough knowledge and understanding of the test formats including:

- ❖ Sessions include Math and Critical Reading/Writing
- ❖ Timed Test Practice & Review
- ❖ Test Taking Strategies
- ❖ 21 Hours of SAT Instruction
- ❖ Classroom Setting
- ❖ Full Length Practice Tests
