SCOPE BEFORE & AFTER SCHOOL PROGRAM

FREQUENTLY ASKED ENROLLMENT QUESTIONS

Do I need to re-register my child for the SCOPE Child Care Program each year?

Yes. A new contract must be completed for each child every school year through your current account.

When do I register?

Pre-Registration begins on March 1 at 12:01 AM on a first come, first serve basis. Note: Each program has limited openings due to space and staffing restrictions. When a program reaches capacity, a wait list will be initiated and parents will be notified of their wait list status.

You are required to include your form of payment in order to complete your registration process. NOTE: You will not be charged until you are confirmed into the program.

What are Contract Schedules? There are two contract schedule options:

Consistent Schedule: Your child will attend the SCOPE program **every day** school is in session so you will not complete an on-line calendar each month. If you enrolled in the Before School Program, you will escort and sign your child into the Before School program every day and/or if you enrolled in the After School Program your child will be sent to the SCOPE After School program every day unless you notify your child's teacher, the school and the SCOPE Site Director that your child will not be attending. You will be charged the same amount each month regardless of the school calendar and attendance. Unused days are not accrued. (There will be an additional fee if there is a scheduled early dismissal and SCOPE will be providing an extended day program.)

Pick Your Days Schedule: This **part time** schedule allows you to choose specific days in advance each month. Your child will attend SCOPE only on the days you pre-selected on-line on or before the 15th of the prior month. You are charged the monthly minimum and then a daily rate for each additional day. Unused days do not carry over to the next month. You must complete a monthly calendar by the 15th of the prior month. After the 15th of the prior month, calendars become locked and you are unable to switch or drop days. You can, however, add days with the approval of the Site Director and will be charged the additional daily fee for each day.

Can I switch contract schedules during the school year?

Only **ONE** contract schedule change per school year is permitted except for the months of December and June. There is no switching back and forth between part time and full time schedules. You may only make changes to your schedule type prior to the month, changes cannot be made mid-month. If you are changing your schedule on or before the 15th of the previous month, log on to your account and request to register a new contract starting on the 1st day of the next month. **Note: You must also withdraw your current contract (ending on the last date of the current month).**

I have a Pick Your Days Schedule. What if I want my child to attend a day they are not scheduled to attend?

If it is on or before the 15th of the prior month:

- Log on to SCOPE account with your email and password.
- Click on the green star (upper left).
- Click on the middle *Before & After School Child Care* circle.
- Click on *Account Management* (blue rectangle) and you will see **Current and Upcoming Contracts**
- Select the contract with the dates you want to change (please note that the calendar will be locked after the 15th of the prior month) and you will see your calendars with the dates you have selected in the center of the screen.
- Click the *Change Schedule* (blue rectangle) and click on the dates you want and click dates that you want to de-select.
- Submit your Change Schedule request.

If it is after the 15th of the prior month, you cannot add a day to the online schedule. You will be responsible to inform the SCOPE After School Site Director and your child's teacher of your schedule change to ensure your child is directed to the correct location.

Note: Added days after the 15th will appear on your invoice as a Drop-In date and you will be charged the daily rate if it is over your monthly minimum allotment.

I have a Pick Your Day Schedule for the After School Program. What do I do if my child is NOT going to attend on a scheduled day? If it is on or before the 15th of the prior month, sign onto your SCOPE account to request a change (see instructions above). **If it is after the 15th, you are responsible to notify the SCOPE Site Director and your child's teacher.** Please note that if it is after the 15th of the previous month, you will still be charged for the date.

I have a Consistent Day Schedule for the After School Program. What do I do if there is a day my child is NOT going to attend due to an absence or other reason? You are responsible to inform the After School SCOPE Site Director and your child's teacher. Please note that you will **not** be credited for the day.

Why am I being charged a late fee when the month isn't over yet? SCOPE invoices are due on the 25th of the prior month of attendance. For example, November's tuition is due October 25th. Payments received after the due dates are subject to a Late Fee of \$20.00.

How do I withdraw my child's contract? If it is before the 15th of the prior month, you can withdraw your contract online:

- Log on to our SCOPE account with your email and password
- Click on the green star.
- Click on *Before & After School Child Care* (middle circle).
- Click on *Account Management* (blue rectangle) and you will see *Current and Upcoming Contracts*
- Click on the contract you are ending.
- Click *Withdraw Contract* and enter the last attendance date. Please be advised that you are responsible for the full payment of the current month. There are no credits for withdrawals mid-month. All withdrawals must be requested prior to the 15th of the prior month in order to avoid a Drop Fee. If it is between the 15th

and 30th (or 31st), please call the office and request the withdrawal, which may be subject to a \$25 Drop Fee.

NOTE: If you withdraw your contract and need to re-enroll later in the year, you must create a new contract. You may also be placed on a Wait List if the program is at capacity.

When do I select my Pick your Days schedule days for next month? All **completed** calendars must be submitted online only by the 15th of the prior month. It is imperative to submit your child's schedule otherwise **your child will not show as scheduled and is not enrolled for the month** and could be directed home.

NOTE: There is a late calendar fee charge for schedules submitted after the 15th of the prior month.

How do I change my scheduled days? You can only change scheduled days if you have a Pick Your Day contract and it is before the 15th of the prior month.

- Click on *Account Management* (blue rectangle) and you will see *Current and Upcoming Contracts*
- Select the contract with the dates you want to change (please note that the calendar will be locked after the 15th of the prior month) and you will see your calendars with the dates you have selected in the center of the screen.
- Click the *Change Schedule* (blue rectangle) and click on the dates you want and click the dates that you want to de-select.
- Submit your *Change Schedule* request.

NOTE: After the 15th of the prior month, you can only add days as a Drop-In Day with Site Director approval. You cannot switch or remove dates.

When are payments due? Payments are due on the **25th of the prior month**. You will be invoiced on the 16th of the prior month. Once an invoice is generated for your account, you will receive an email notification stating that your invoice is ready to view. Due dates are listed at the bottom of the invoice. All invoices can be viewed and printed.

How do I add a credit card to my account online? Log on to your account and scroll down to *Manage Saved Payment Methods*. Once you click on this, you will be directed to *Adding new payment forms*. Please note all debit/credit cards are accepted.

Can I pay with a personal check or with cash? Cash and personal checks are not accepted. All payments must be made online at *scopeonline.ce.eleyo.com*.

How do I enroll in Automatic Payment? All accounts are required to have a *Saved Payment Method*, and **you are responsible to sign-in to your account each month to make each payment**.

If you are interested in setting up an **automatic payment account**, so your payments will automatically be processed each month, you can set up Automatic Payments by logging in to your account and select *Account Management*. Click on *Automatic Payments* and enter your preferred method of payment.

Is there a sibling discount?

There is a 20% discount for your second child; a 40% discount for your third and a 60% discount for your fourth child in the same family.

What if my child has special health needs?

It is critical to include the special health needs of your child enrollment in order to provide the best care possible. If you indicated your child has a special health care need, you will be required to complete additional paperwork detailing your child's specific needs. Paperwork will be emailed to you after your contract has been reviewed. Required paperwork can also be found at www.scopeonline.us. All completed paperwork must be returned to the SCOPE Operations Center via email: scope.healthcare@scopeonline.us. You will be contacted once it has been reviewed by a SCOPE District Manager.

If my child has a special health need, can my child start SCOPE without the medical paperwork?

If you indicated that your child has any special health need (including any allergies) your child **cannot start** the SCOPE child care program until the appropriate health forms are completed and approved. If your child will require medication during SCOPE, all of the required health forms must be approved in advance and staff may need to be trained. The medication and the approved paperwork must be brought to the Site Director at the program before your child can start the program. .

What if my child's medication is already with the school in the nurse?

The school nurse is not on duty during SCOPE child care hours so it is necessary for the SCOPE program to store medications with the required SCOPE health forms at the program. Please note that these forms may differ from the school's medical forms.

How can I obtain financial assistance?

If your family has been approved for the free or reduced lunch program through your school district, forward a copy of your lunch approval letter to **fax # (631) 881-9672 or email to ccreg@scopeonline.us**.

If you are currently receiving child care subsidies through the Department of Social Services, contact the SCOPE Business Office @ (631) 360-0800 ext. 127 with the name of your DSS case worker and inform your DSS case worker that you are enrolling in the SCOPE program.
