

SCOPE

Education Services 2023 SAT Prep Course South Huntington School District

SCOPE, Long Island's leading education services provider, is pleased to provide an SAT Prep course that aligns with the test formats. Given in the fall of 2023, the test supports college readiness with a clear focus on the skills and knowledge that matter most for college success.

Our programs are research-based and specifically designed to help students gain a thorough knowledge and understanding of the test formats including:

- ❖ Sessions include Math and Critical Reading/Writing
- ❖ 21 Hours of SAT Instruction
- ❖ Timed Test Practice & Review
- ❖ Custom Student Workbook
- ❖ Test Taking Strategies
- ❖ Full Length Practice Tests
