

SCOPE SUMMER 2024

Destination Europe

Culinary Excursion in Cooking, Baking and Chocolate Making

Welcome aboard "Destination Europe: Cooking, Baking & Chocolate Making," an enticing culinary escapade designed for kids of all ages! Indulge in a delectable 3-hour daily journey exploring the tantalizing world of European cuisine. Dive into the art of chocolate making, where young chefs will mold, dip, and design their own chocolate creations, unlocking the secrets of truffle making and creating intricate designs. Experience the joy of baking European delights, crafting buttery croissants, fluffy pastries, and other mouthwatering treats, perfecting the art of pastry-making. Delve into non-bake activities such as crafting edible sculptures and designing chocolate-based crafts, igniting creativity and innovation. Join us for a week-long expedition where budding chefs will savor the flavors of Europe while honing their culinary skills in a classroom transformed into a delectable kitchen paradise! Parents, get ready for your kids to embark on a flavorful journey, discovering the magic of European cuisine at "Destination Europe: Cooking, Baking & Chocolate Making" summer camp!
