SUMMER

SCOPE

2025

VIRTUAL ENRICHMENT K-12

Wednesdays: [Tales Under the Sun, Summer Reading & Writing Lab for Grades 2-6](#)Wednesdays 6:30-7:30 PM July 23-August 27, 2025; Six Weekly One Hour Sessions for \$125.00

Over six exciting weeks, young readers and writers will craft their own short stories, explore rich texts, and build skills in plot structure, character development, figurative language, and critical thinking—all while having a blast with fellow book lovers. Each session features a new theme to inspire creativity and strengthen reading strategies in a relaxed and supportive environment.

 [Wordsmith Workshop: Mastering the Essay Elevate Your Writing for Grades 7-12](#)Wednesdays 7:30-8:30 PM July 23-August 27, 2025; Six Weekly One Hour Sessions for \$125.00

Ready to take your writing to the next level? In Wordsmith Workshop: Mastering the Essay, students in grades 7-12 will sharpen their skills, boost their confidence, and learn to craft clear, compelling, and powerful essays that stand out—whether for class assignments, state exams, or future college work.

Thursdays: [World-Wide Cooking: 6 Week Global Culinary Adventure; Grades K-12](#)Thursdays 6:00-7:00 PM July 24-August 28, 2025; Six Weekly One Hour Sessions for \$125.00

Pack your apron and passport—it's time to cook your way around the world!  In World-Wide Cooking, aspiring home chefs will embark on a six-week virtual adventure, learning to prepare delicious dishes from different countries and cultures each week—right from their own kitchen! At the end of the lesson you will have dinner ready for all to share! Led by an amazing gourmet chef, this interactive cooking class goes beyond the recipe. As students chop, stir, and sauté, they'll also explore the history, culture, and traditions behind each meal.

 [Draw & Animate! Summer Sketch Lab Virtual Art Adventures in Cartooning, Animation & Creative Drawing for Grades 2-8](#) 

Thursdays 7:30-8:30 PM July 24-August 28, 2025; Six Weekly One Hour Sessions for \$125.00 Grab your sketchbook and spark your imagination—Draw & Animate! Summer Sketch Lab is where your ideas come to life, one doodle at a time! In this fun and interactive 6-week virtual course, young artists in grades 2-8 will explore the exciting world of drawing, cartooning, and animation from the comfort of home. Each week, we'll dive into new artistic challenges and techniques, from designing expressive characters and sketching comic strips to learning how to bring drawings to life with simple digital animations!
