KIDS Summer ART

Seashells and Sunsets: Beach and Ocean Art Adventure Course

Get ready to dive into creativity with our Sea & Beach Life Fine Arts Summer program! This enrichment course is perfect for young artists who love the ocean and sandy shores, where each day brings new, exciting projects inspired by the wonders of the sea. You'll create colorful beach landscapes, paint beautiful ocean creatures, and even sculpt seashells, starfish, and other seaside treasures! With hands-on activities like sand art, sea glass mosaics, and driftwood designs, you'll be able to explore all the amazing things that make the beach magical. Join us for a summer of sea-inspired art adventures, and make waves with your imagination!

ART

SEASIDE CULINARY ARTS

Join us for this summer enrichment program where young chefs get to experience the flavors of the sea—all without using an oven! In this hands-on, no-bake cooking course, students will make refreshing dishes inspired by tropical islands, like fruity salsas, coconut rice wraps, mango parfaits, and pineapple smoothies. Kids will learn mathematics skills as they cook and have fun! Each day, kids will learn new culinary skills as they create delicious, colorful treats using fresh ingredients and spices. Perfect for beginner chefs, Summer Seaside Cooking is a tasty, fun-filled adventure into island flavors and kitchen creativity! No nuts are used in this course but we cannot guarantee any cross contamination, products produced in facilities with nuts, or other specific allergy requests.

SCOPE ENRICHMENT

SUMMER STEAM

SPLASH & SCALES: OCEAN ADVENTURE

Dive into the world of animals, beaches, and ocean life in Splash & Scales, an exciting STEAM program where science, technology, engineering, art, and math come alive through ocean adventures! Each day, students will explore sea creatures, build sand habitats, design mini tide pools, and even create water-inspired art. From learning how fish breathe underwater to discovering the secrets of coral reefs, this workshop is packed with hands-on projects that bring the wonders of marine life and beach ecosystems to life. Join us for a summer of science and creativity, where the ocean is your classroom!

SCOPE SUMMER THEATER

presents...

BROADWAY BY THE SEA

Join us for Broadway & Theater by the Sea, an unforgettable reading and literacy based theater workshop where the magic of the ocean comes alive on stage! Dive into scenes, skits, and songs inspired by scenes from shows like Moana, The Little Mermaid, and Finding Nemo, and step into the roles of your favorite ocean heroes, sea creatures, and beloved characters. You'll learn reading, acting, singing, and dancing as you work with new friends to put on a Broadway-style medley that will transport your audience to the heart of the ocean.
