NEW MIDDLE SCHOOL CAMP PROGRAM!

SCOPE is offering our most popular courses to students entering grades 6 - 9.

**Stars, Stripes
& Showtunes**
(2 week long session)
6-9 Week 3 & 4
\$419.98/2 weeks

Join Great Hollow's Mr. MacCarthy for this summer's Stars, Stripes & Showtunes theater & musical. This two-week Broadway-style musical theater program celebrating America's 250th birthday through songs, scenes, and storytelling inspired by iconic American musical theater traditions such as Annie, The Greatest Showman, and Newsies. The program culminates in an informal, high-energy showcase for families at the end of the two weeks

Robotics**
Grade 6-9
2 Week class!
July 20 - July 31, 2026
\$339.00/2 weeks

Salute to the Best!

Smithtown Robotics First Lego League

Incoming Grades 6th and 7th:

Discover, Explore and Compete in a First LEGO League Challenge! First Lego League will enhance coding skills as well as robotic engineering and design through hands on STEM learning opportunities. The program is geared towards strengthening real-world problem solving skills. Students will understand the basics of STEM and apply their skills in an exciting robotics competition. The class culminates with a competition where teams have their robots compete in a series of challenging tasks in a limited time.

Incoming Grades 8th and 9th:

This class is designed for students interested and eager to learn about the Smithtown Robotics Program. It will allow students to become familiar with the robotic engineering process while strengthening the foundational skills necessary for future robotics and coding experiences. Students will use VEX and LEGO Spike robotics programs to design, build, and test robots for specific tasks. It will enhance coding skills as well as robotic engineering and design through hands-on STEM learning opportunities. Students show off their skills in a culminating robotics competition where teams have their robots complete a series of real-world challenges.
