

INSTRUCTIONS FOR COMPLETING REQUIRED FORMS FOR CHILDREN WITH ASTHMA

****MEDICATION TO BE PROVIDED****

You indicated on your child's registration that your child has asthma, and you are providing SCOPE with medication. Per OCFS license regulations, you must complete a pre-filled asthma **Individual Health Care Plan and Medication Consent Form**.

The Individual Health Care Plan must be completed as follows

- Front:
 - Child Information, Legal Name, Date of Birth
 - Health Care Provider Name and Discipline (MD, PA, NP, DO)
 - School District
 - Site (SCOPE program location)
 - List specific triggers of Asthma
- Reverse:
 - List any restrictions or write "None" if there are no restrictions
 - Check Yes/No if this Health Care Plan meets the needs of your child
 - Check Yes/No if you give consent to share information regarding your child's needs
 - Parent/guardian signature and date

Medication Consent Form must be completed as follows (complete a separate form for each medication to be administered):

- Items 1-18 must be **completed by your child's health care provider**. If items 12 and/or 13 are checked yes, then items 33-35 must also be completed
- Items 19-23 are **to be completed by the parent/guardian**
- Items 24-30 are completed by the program staff only
- **Medication** must be in the **original container** with the **original pharmacy label**. Pharmacy label instructions must match the instructions on the Medication Consent Form. Over the counter medication must be labeled with the child's first and last name. Please check the expiration date. If any form or medication is incorrect/incomplete, SCOPE cannot accept medication and **your child's start date will be delayed**.
- If your child needs a spacer, it must be indicated on the prescription label **and** the Medication Consent Form. Please label your child's spacer with their First and Last Name.

*Please note, forms and medications must accompany one another **and** match. If the Medication Consent Form only has the brand name written, we cannot accept the generic medication at the program.

*Please also check the medication strength to ensure it matches the Medication Consent Form

Note: Every item must be complete (forms with missing information will not be accepted)

Your child will not be able to start SCOPE until you have been contacted by a SCOPE Administrator to discuss and review your submitted paperwork, and it is approved.

If any form is incorrect or incomplete, your child's start date will be delayed and your child will not be able to start on their first scheduled day.
